Above the paragraph beginning at page 8, line 29, please insert the heading,

~~-- Detailed Description --~~

### **Proposed Amended Drawings**

One sheet of Proposed Replacement Drawings is attached hereto. Elements previously labeled with numeric identifiers 1, 11, 15 and 17 has additional been labeled with text labels, Transportation Means, Correction Means, Imperfection Means, and Filter, respectively. These text labels are drawn from the Specification and no new matter has been added.

No other changes have been made to the drawings. As these changes were specifically requested by the Examiner and are simple in nature, clean Proposed Replacement Drawings are being submitted without the proposed changes indicated in red.
